Italic r / I — weight review in text

2026-10-25 · Right: thick-stroke adjustment −15; advances preserved · unkerned outline specimens

Current

n r n H I H

r: measured stroke 176; reference ratio 1.025
I: measured stroke 180; reference ratio 0.973

24.576 px em

I remember the river.
There were narrow roads
running through the garden.
In the library I read her
rare story of returning.
Her writing was regular.

32.768 px em

I remember the river.
There were narrow roads
running through the garden.
In the library I read her
rare story of returning.
Her writing was regular.

40.96 px em

I remember the river.
There were narrow roads
running through the garden.
In the library I read her
rare story of returning.
Her writing was regular.
